## CERTIFICATE OF APPRECIATION

We hereby certify that the following students of Ramanand Arya D.A.V. College, under the guidance of their faculty member Ms. Kavita Sonar, conducted a Research Study on impact of GST on common people in our Thane(W) branch, among representative from 12-02-2020 to 28-02-2020

Course: SY B.Com (Banking and Insurance)

Name of the students :

1. Mr. Abhishek verma
2. Mr. Ashish kanojiya
3. Ms. Sakshi palande
4. Ms. Rutuja dindore
5. Ms. Akshata pawar

We appreciate interacting with our CA's during this period to understand the GST concept and how GST impact on common people of India and examine related issues of it.

The findings and suggestions submitted by these students, as part of their research activities, have been of great help to us.

We found all the students to be well behaved and keenly interested in learning the theoretical and practical aspects of the impact of GST on common people in India

We thank Coordinator of Self Financing Courses Mrs. Chandrakala Srivastava for taking initiative to conduct a research project and we also Principal Dr. Ajay M. Bhamare, and the college management for involving the students in this research activity as part of their academic activities.
