

Remedial Coaching Report

The purpose of conducting Remedial Coaching is to help the slow learner students to improve their academic performance. Every year the faculties conduct remedial lectures for the students apart from their regular lectures. In this coaching all the doubts and queries of the students are resolved along with the revision of various difficult topics. The Remedial Coaching was also conducted for Academic year 2020 - 21 for Semester I, II, III, IV, V & VI. These additional lectures are conducted after the regular online lectures schedules (for BMS, BAF, BBI, BFM & BSC. IT). Due to prevailing pandemic situation, the remedial coaching was conducted online through Microsoft Teams platform. The outcome at the end of the academic year was that the performance of the students had improved significantly.

Department of BSc. IT

Remedial Lecture – 10th November 2020

Semester – VI

Class – TYBSC IT

Subject – Principles of Geographic Information Systems

Total – 5 students (M=4, F=1)

Description

The following students received a KT in the above mentioned subject. They were explained the basic concepts in GIS and all their doubts were cleared.

They were given sample MCQs to solve to get practice on the subject.

Day before their KT exam i.e. 23rd Dec 2020, again they were again counseled.

Students

1. Vinay Mane
2. Sumit Yadav
3. Nikhil Mishra
4. Amit Singh
5. Rashika Singh
