Sub: Orientation webinar of Safai Bank program for DAV College

Safai Bank of India is a program started in July 2018 by Mumbai Sustainability Centre which is a Section 8 registered non-profit NGO. Safai Bank focuses on a simple and effective method to divert Multi-layer Packaging (MLPs) waste from dumping grounds and responsibly dispose them. MLP is a form of plastic, which is non-recyclable, non-degradable and non-reusable. Millions of items are sold daily and correspondingly millions of empty wrappers are discarded into the conventional waste stream thus creating a massive problem. The Safai Bank program provides a very easy and effective process to manage one kind of waste.

We conducted an orientation webinar for NSS Unit of Ramanand Arya DAV College on 12th November, 2020 at 2 pm where we have provided them information about MLP waste and the initiative we take to dispose them responsibly.

Priyanka Pakhare
